

Lax Day arrives Saturday

The inaugural Homer Lacrosse Day for all students in grades 1-6 will be held at the high school's Butts Field on Saturday morning from 9-11 a.m.

Coaching at the clinic will be members of the Homer Central varsity boys and girls lacrosse coaching staffs, players from both teams and coaches of the UAL summer league. The purpose of the clinic is to teach skills and strategies of both girls and boys lacrosse and to give the participants the necessary practice skills to become fundamentally sound players.

In conjunction with the clinic, the Booster Club will also be holding their annual Mothers Day Flower sale in the north parking lot at the rear of the high school. This is an annual fund raiser in which we sell potted (replantable) flowers for Mothers Day.

Also this year we will be holding our can & bottle drive in the same parking lot. The Lacrosse Day hosts are asking anyone that is participating in the lacrosse clinic to bring returnable cans and bottles that they would like to donate to the club's fund-raiser.
